YO VOY AL HOSPITAL

ALGUNAS VECES, SI ESTOY ENFERMO, TENGO DIARREA, TENGO FIEBRE, ME HE CAÍDO O NO PUEDO RESPIRAR, YO TENGO QUE IR AL HOSPITAL PARA CURARME

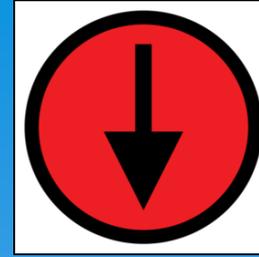

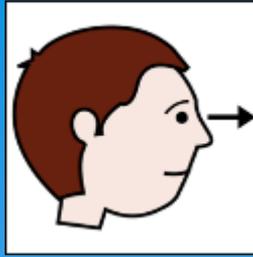

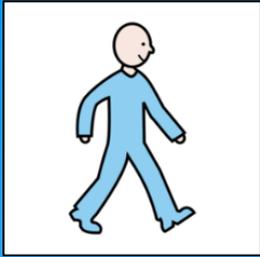

CUANDO LLEGO, ENTRO POR LA PUERTA DE URGENCIAS DE PEDIATRÍA

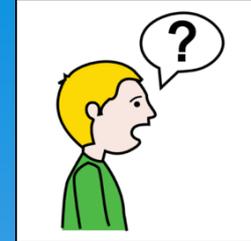

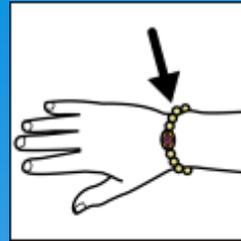

DATOS	
APELLIDOS	<input type="text"/>
NOMBRE	<input type="text"/>
DIRECCIÓN	<input type="text"/>
TELÉFONO	<input type="text"/>
POBLACIÓN	<input type="text"/>

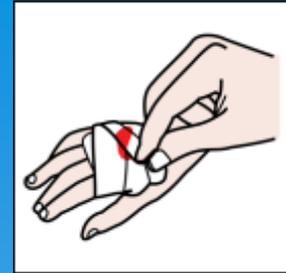

TENGO QUE ESPERAR LA FILA DELANTE DEL MOSTRADOR PARA DAR MIS DATOS

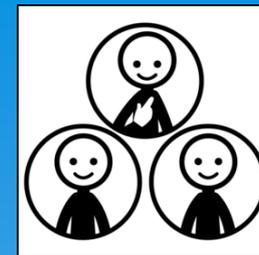

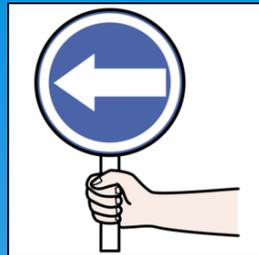

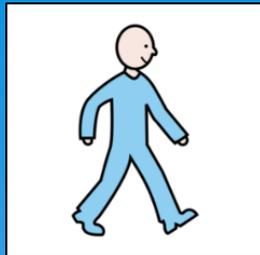

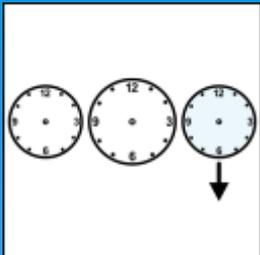

PASARÉ A UNA SALA PARA QUE ME VEA UNA ENFERMERA. ¡HAY UN BOB ESPONJA!

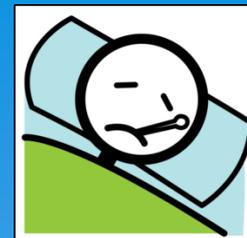

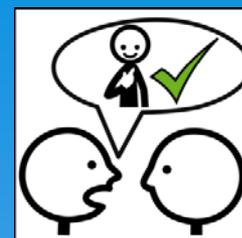

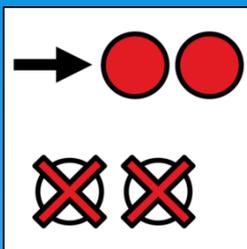

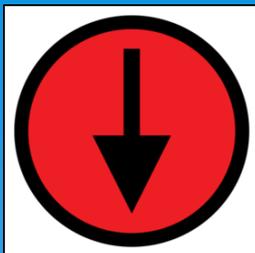

EN LA SALA LA ENFERMERA ME PONE UNA PULSERA Y ME HACE PREGUNTAS.

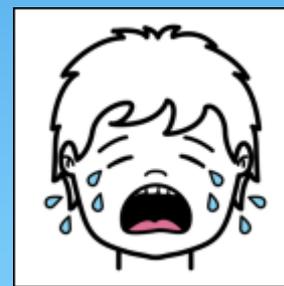

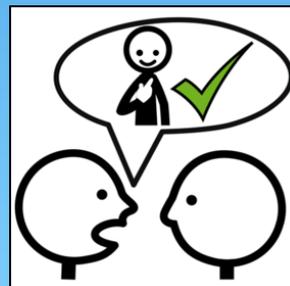

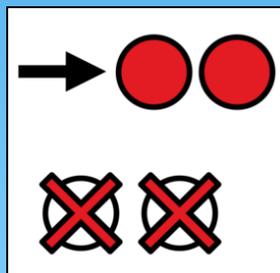

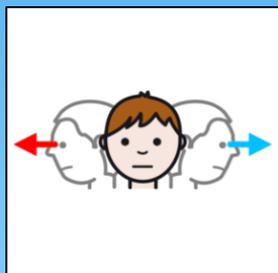

EN LA SALA LA ENFERMERA ME TOMA LA TENSIÓN, ME MIDE LA GLUCOSA O ME CURA.

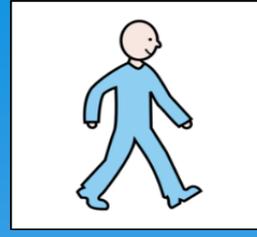

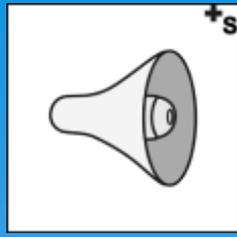

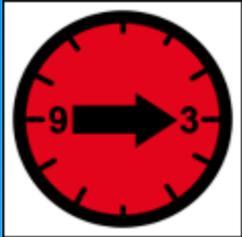

DESPUÉS PASO A LA SALA DE ESPERA. TENGO QUE ESPERAR MI TURNO

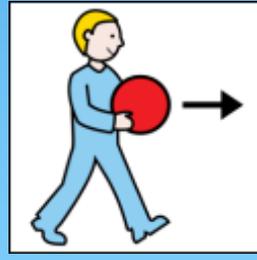

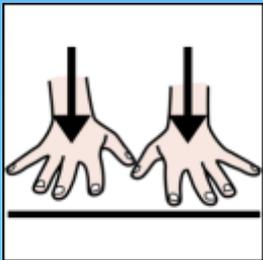

EN LA SALA DE ESPERA HAY OTROS NIÑOS QUE TAMBIÉN ESTÁN ENFERMOS

PUEDE QUE ESTOS NIÑOS TAMBIÉN LLOREN O SE QUEJEN

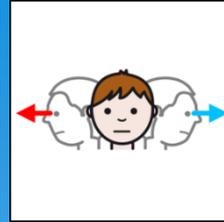

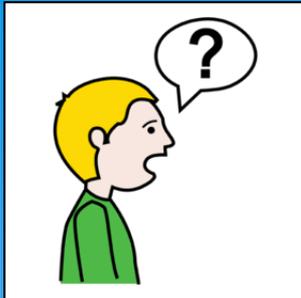

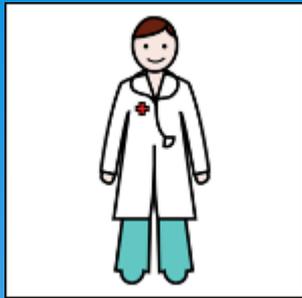

CUANDO LLEGUE MI TURNO ME LLAMARÁN POR MEGAFONÍA Y PASARÉ A CONSULTAS DE PEDIATRIA

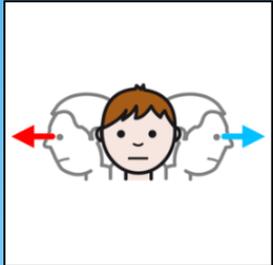

SI ESTOY MUY CANSADO ME LLEVARÁN EN UNA SILLA DE RUEDAS

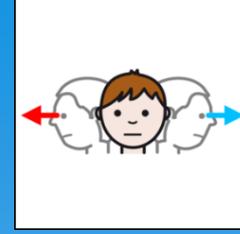

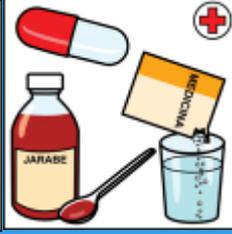

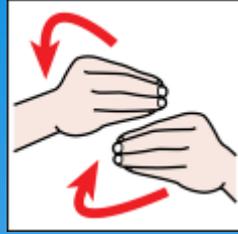

IRÉ POR EL PASILLO A UNA CONSULTA MUY BONITA

EN LA CONSULTA EL MÉDICO NOS HACE PREGUNTAS Y QUIZÁ ME MIRE LA GARGANTA Y ME MIRE EL OÍDO.

QUIZÁ ME MIDAN EL OXÍGENO O ME PONGAN UN LÍQUIDO EN LA NARIZ

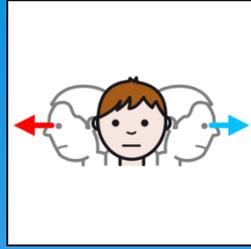

EN LA CONSULTA LA ENFERMERA PREPARA LAS MEDICINAS. QUIZÁ TENGA QUE TOMAR UNA MEDICINA.

EN LA CONSULTA QUIZÁ ME HACEN ANÁLISIS DE ORINA CON UN BOTE O CON UNA BOLSITA

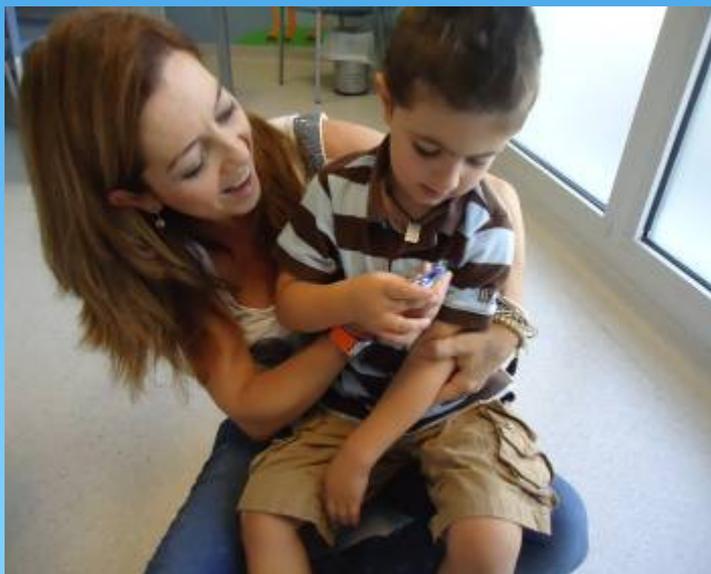

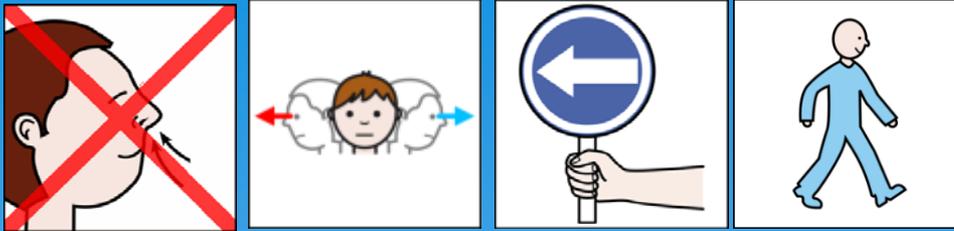

QUIZÁ ME PONGAN PEGATINAS EN EL PECHO O ME PESEN Y ME MIDAN

**EN LA CONSULTA QUIZÁ ME PONEN EL TERMÓMETRO O ME PONEN UNA VÍA.
LA VÍA ES COMO UN PELLIZCO FUERTE**

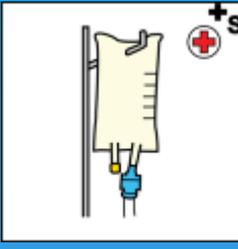

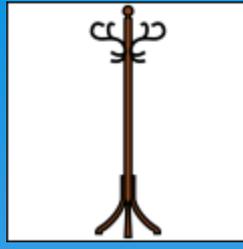

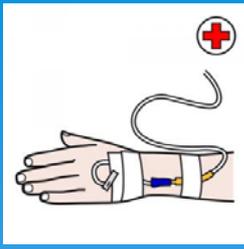

SI NO PUEDO RESPIRAR QUIZÁ TENGO QUE IR A OTRA SALA

LA ENFERMERA ME PONE UNA MASCARILLA Y TENGO QUE ESPERAR SENTADO UN RATO

SI LA ENFERMERA ME PONE UNA VÍA, NECESITO UN PERCHERO PARA LA MEDICINA Y TENGO QUE ESPERAR SENTADO UN RATO

SI YA ESTOY BIEN VOY A CASA

SI NO ESTOY BIEN ME QUEDO A DESCANSAR EN EL HOSPITAL
