Yo sé que el coche es rojo pero digo: "El coche es azul"

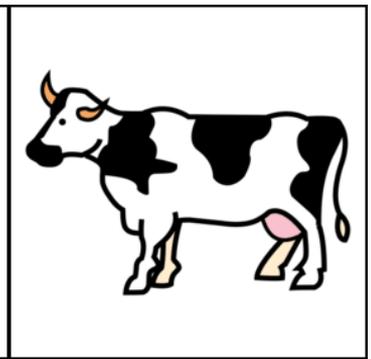

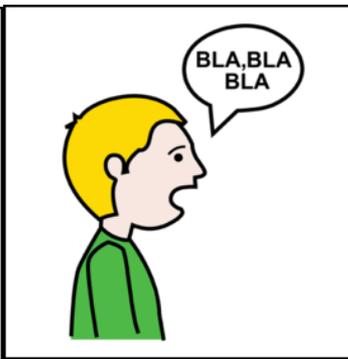

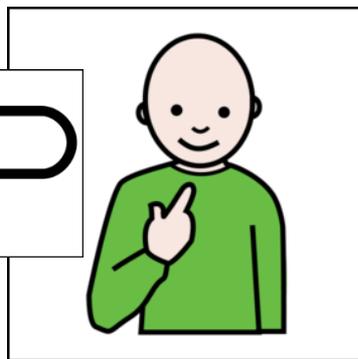

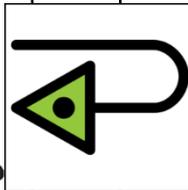

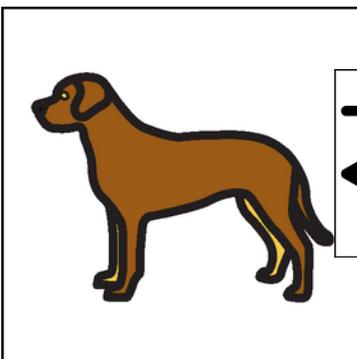

Yo sé que el coche es rojo pero digo: "El coche es azul"

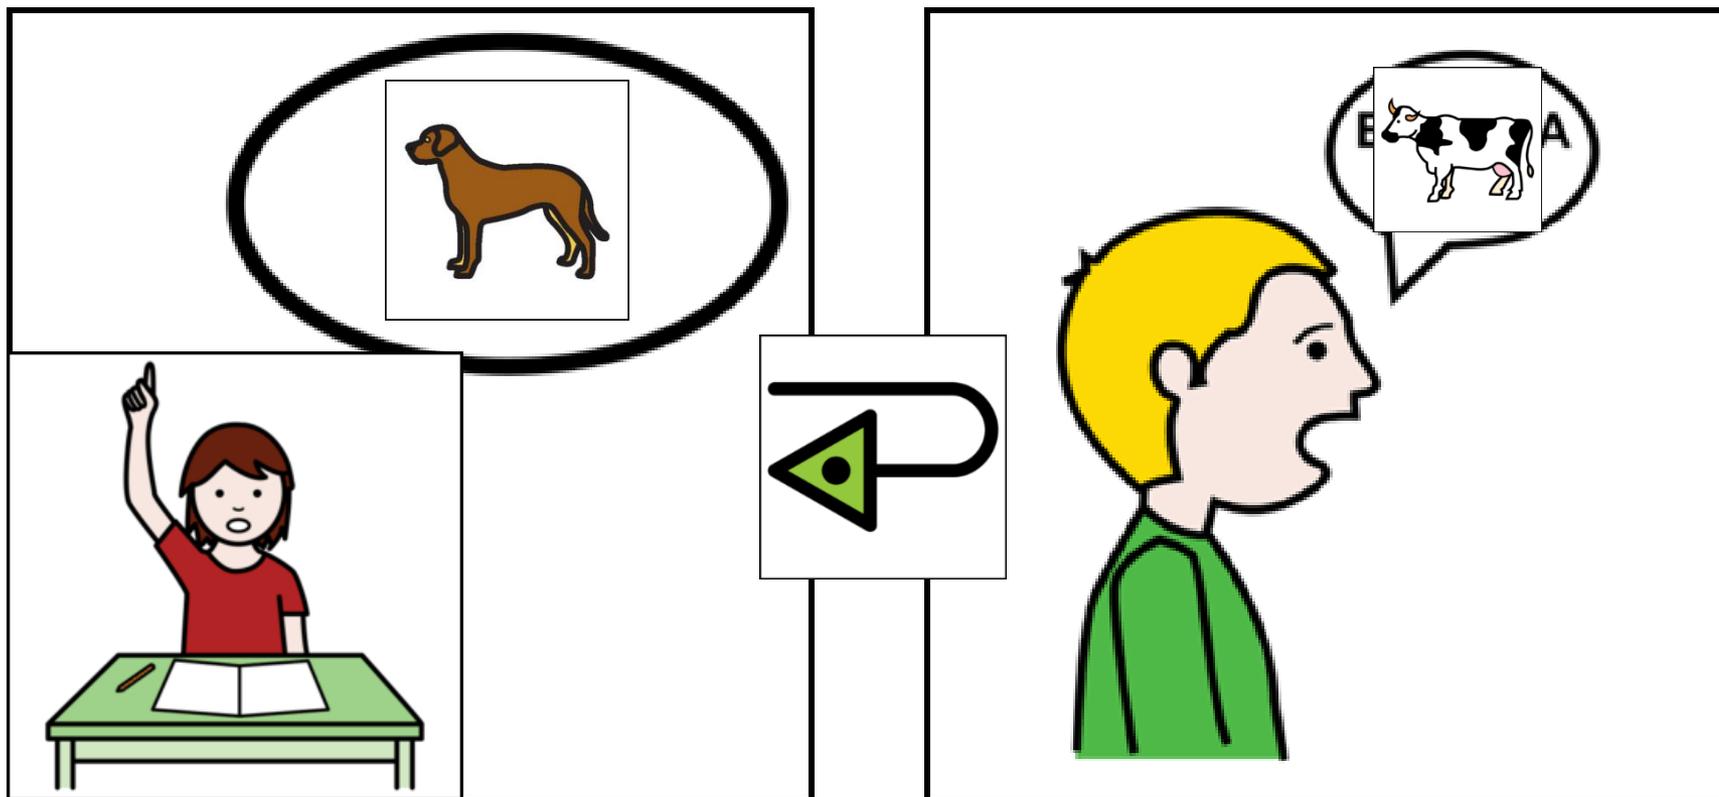

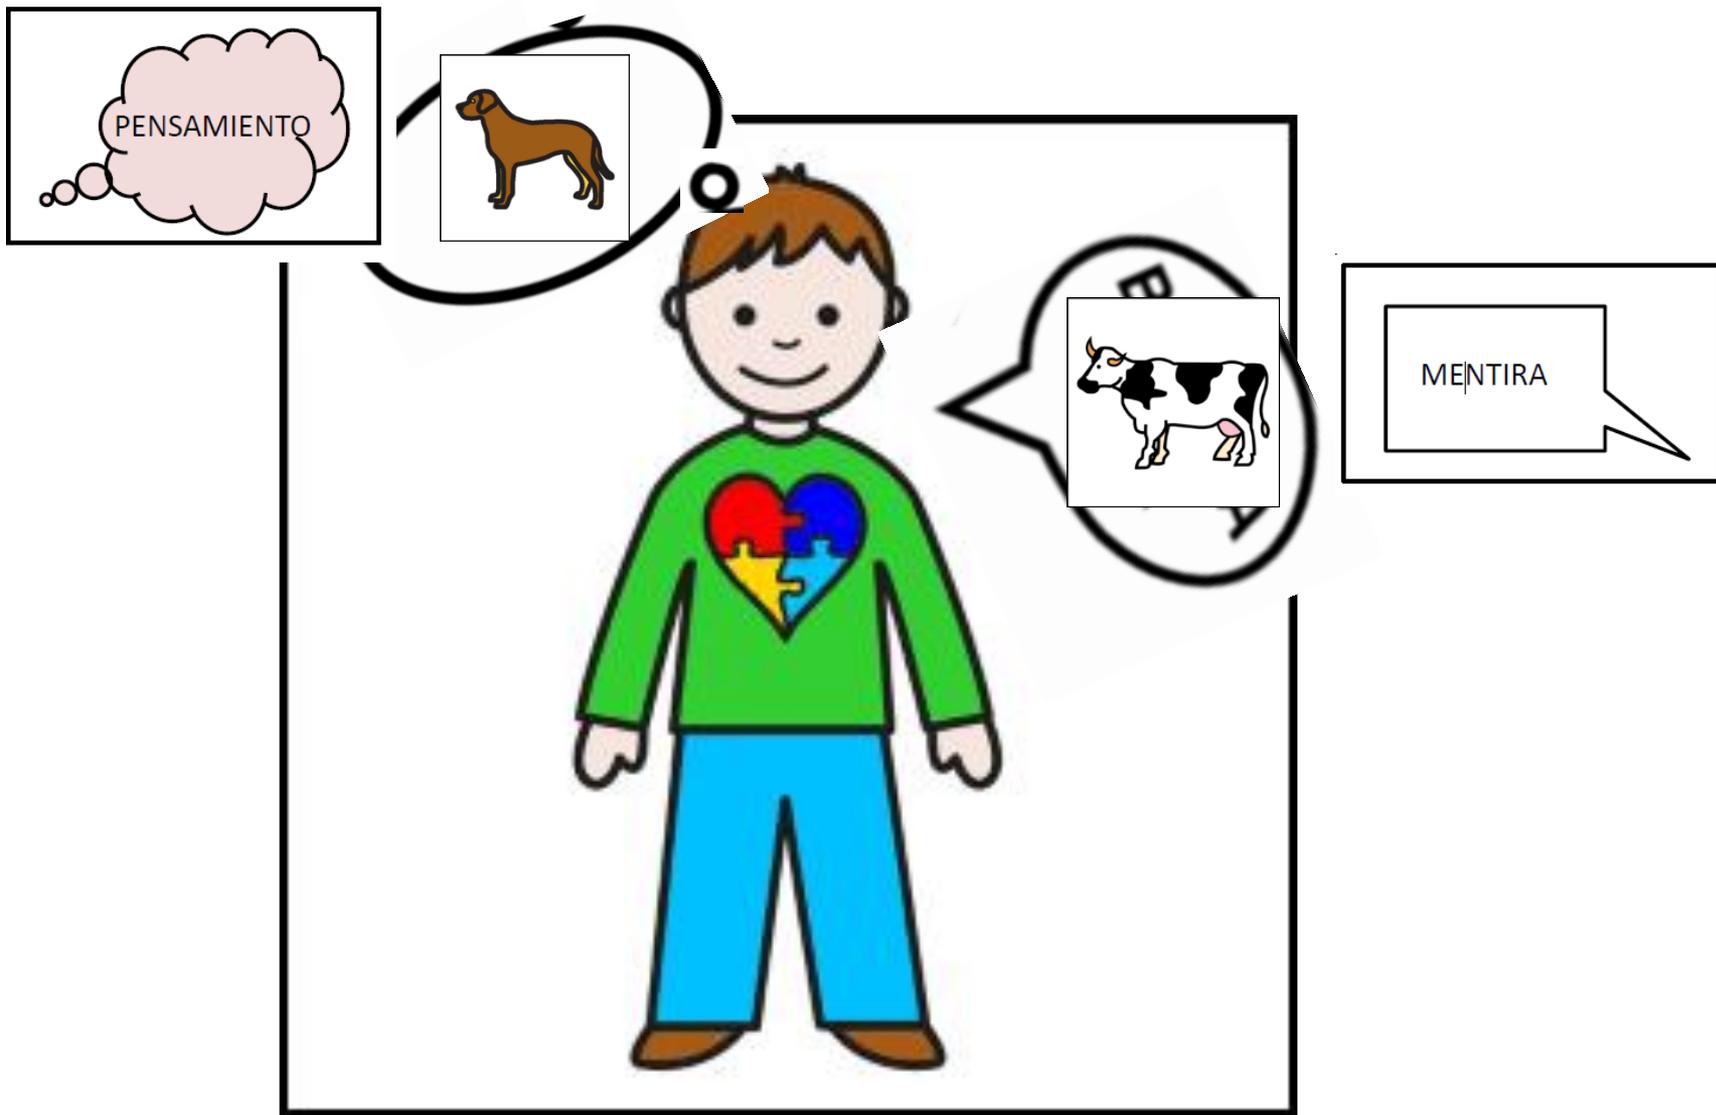

Mentir es decir lo contrario de lo que sabes

Esto es un perro pero yo digo: "Esto es una vaca"

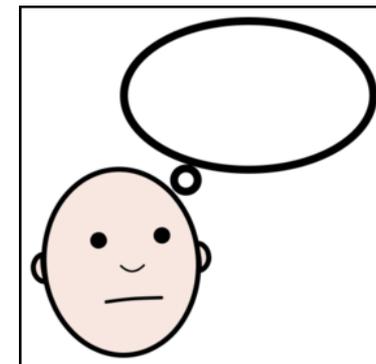

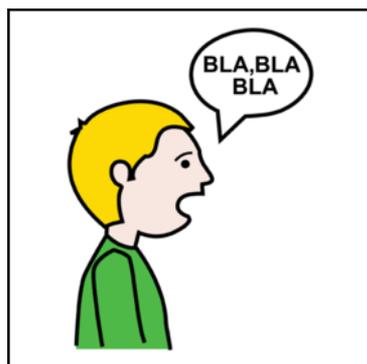

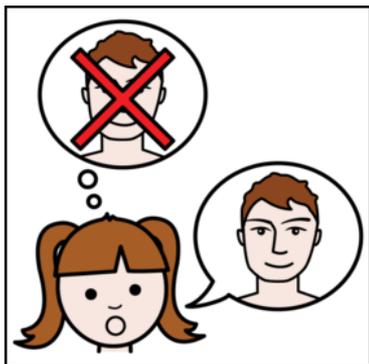

Yo sé que es un perro pero digo: "Es una vaca"

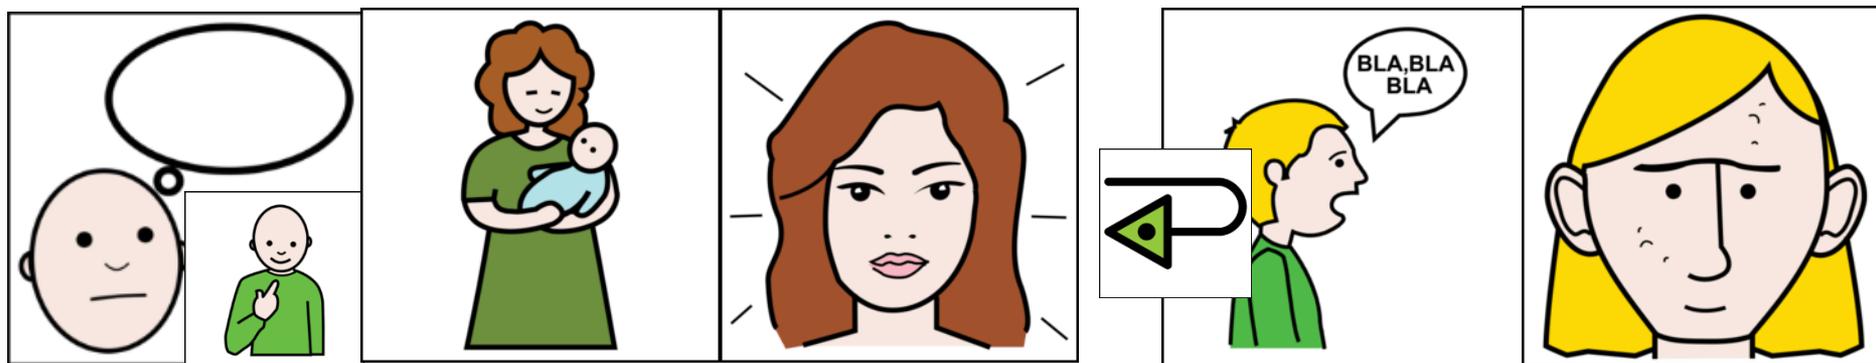

Yo sé que es un perro pero digo: "Es una vaca"

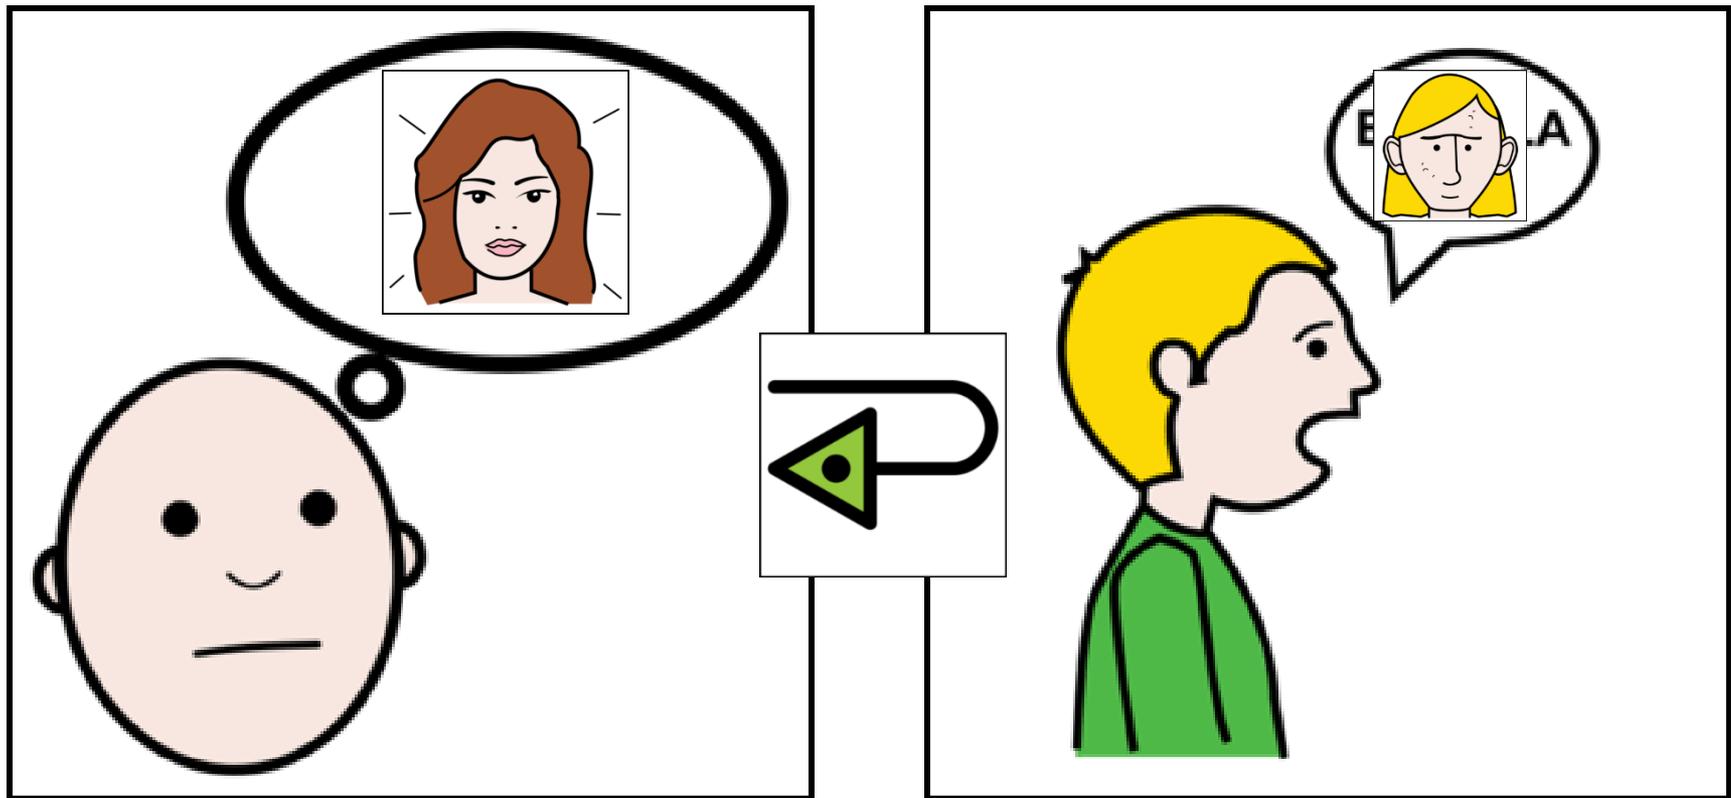

Mentir también es decir lo contrario de lo que pienso

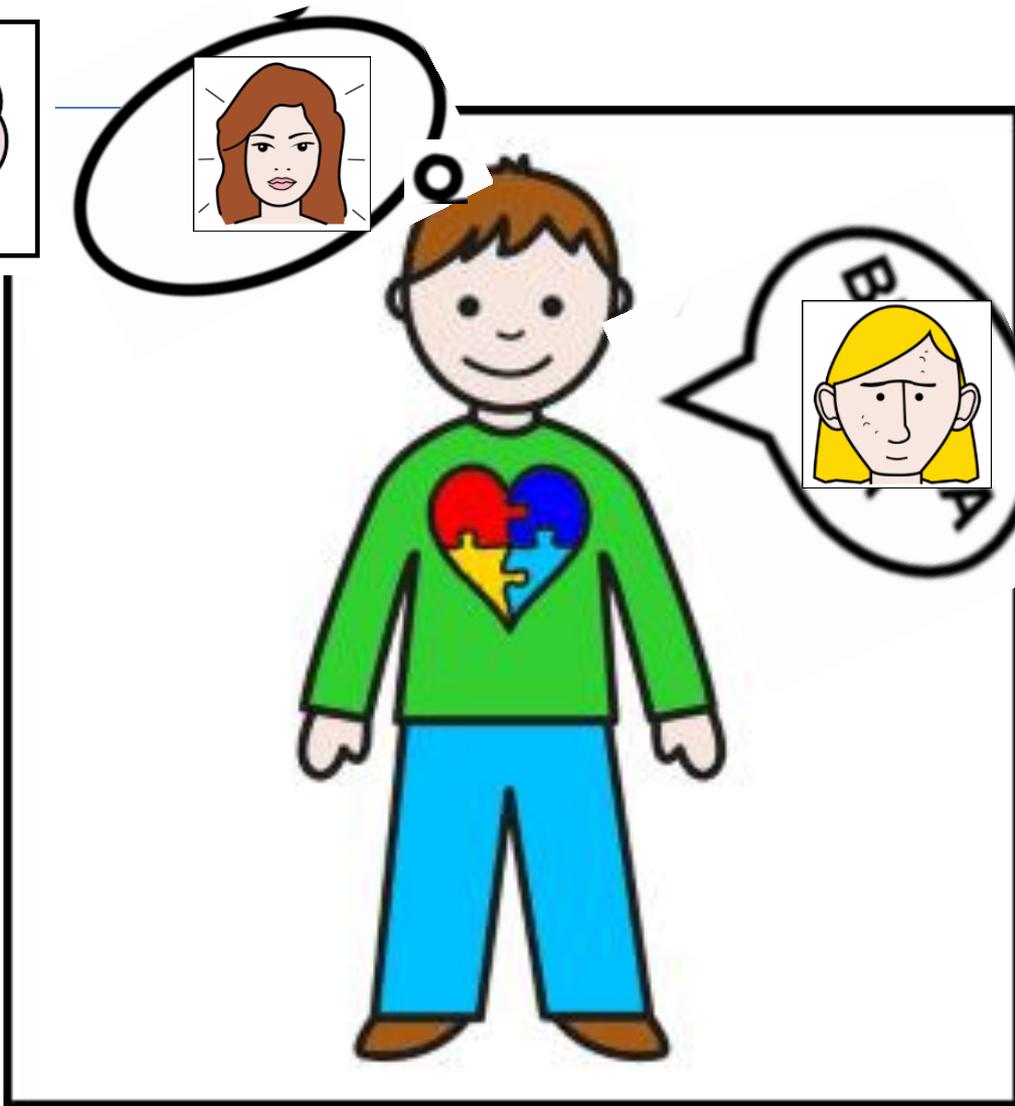

Yo pienso que mamá es guapa pero digo: "Mamá es fea"

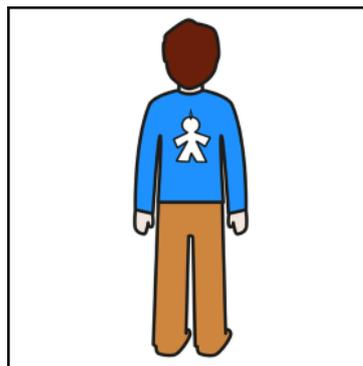

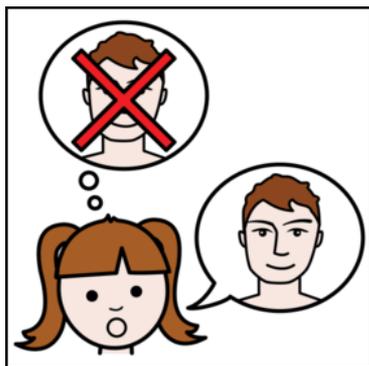

Yo pienso que mamá es guapa pero digo: "Mamá es fea"

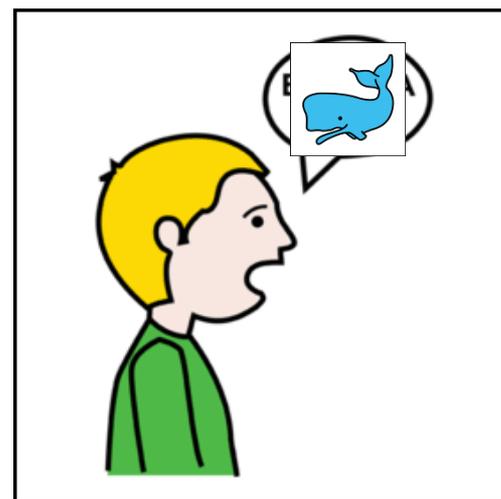

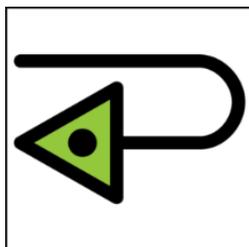

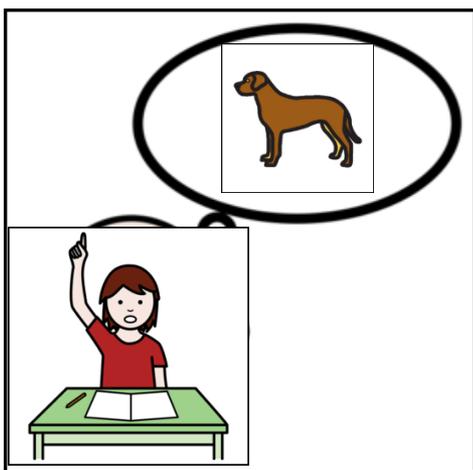

Yo pienso que mamá es guapa pero digo: "Mamá es fea"

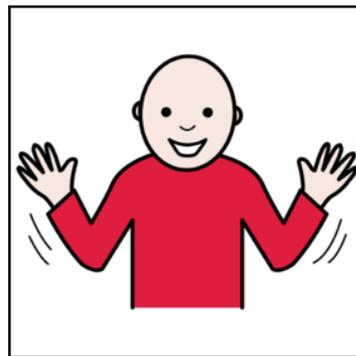

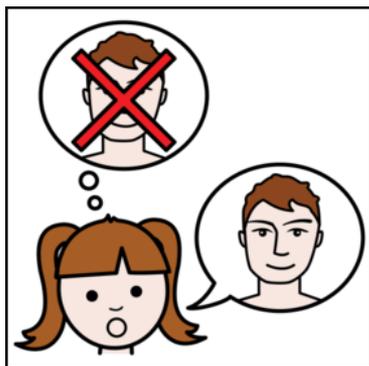

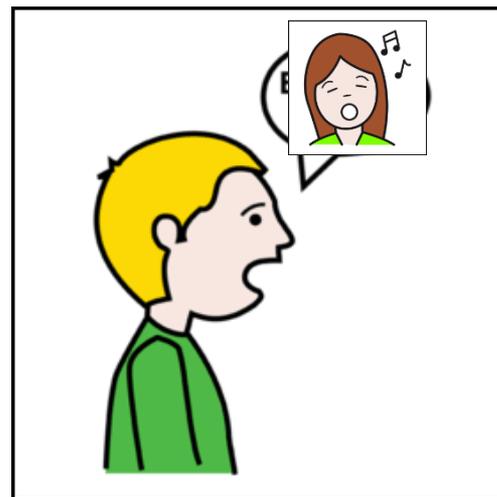

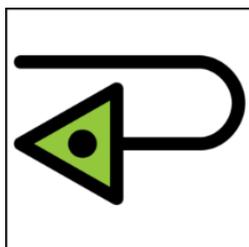

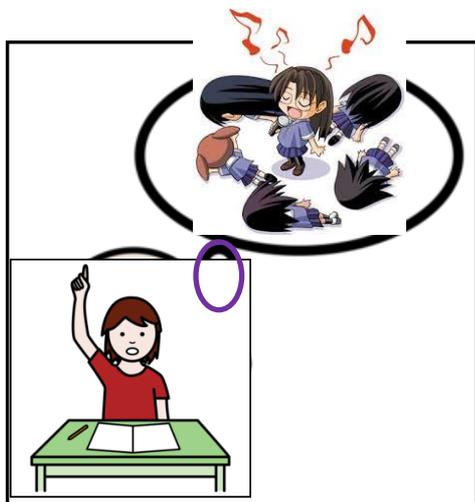

A veces puedo mentir para hacer una broma

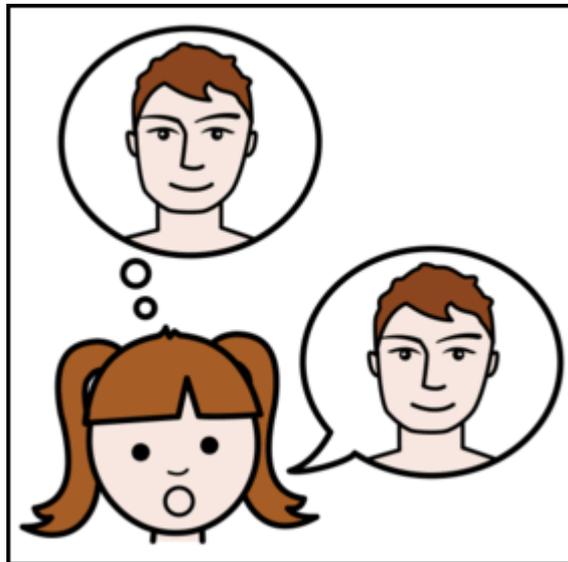

Yo sé que es un perro pero digo: "Es una ballena gigante"

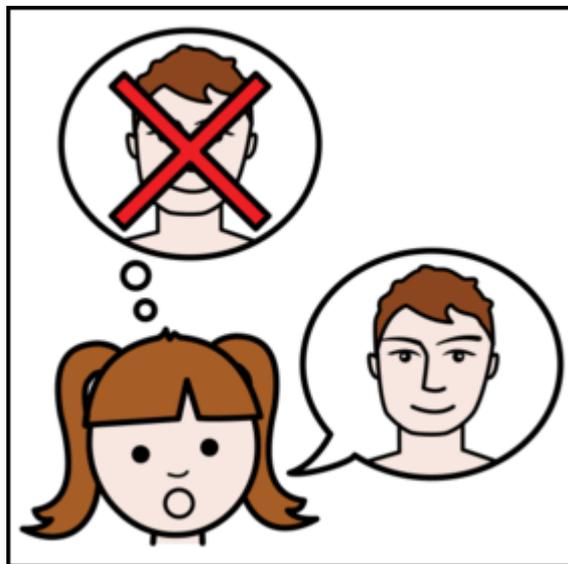

A veces puedo mentir para que la otra persona se sienta bien

Yo sé que mamá canta mal pero le digo: "Mamá, cantas muy bien"

Mentira  
piadosa

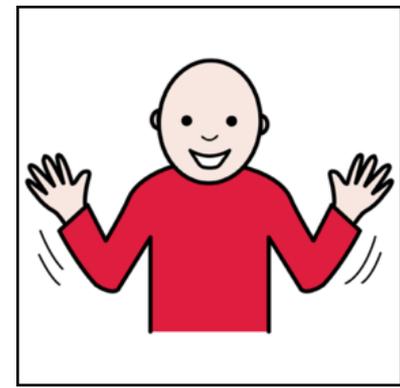

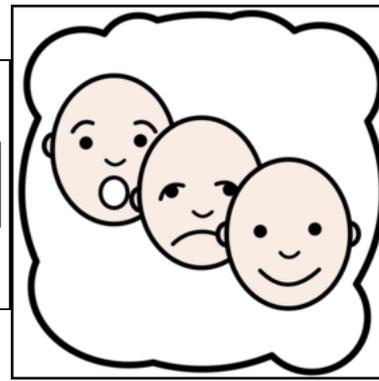

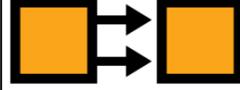

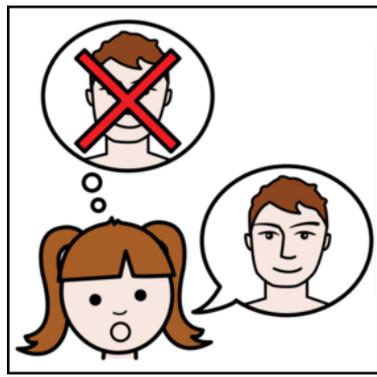

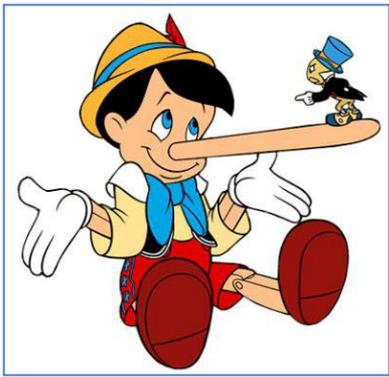

La abuela me regala un pantalón. Yo pienso que el pantalón es feo.

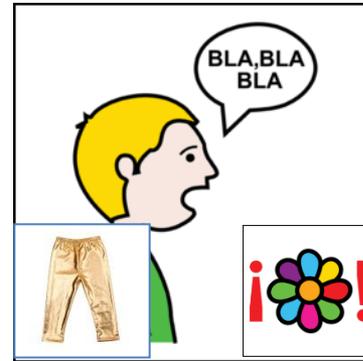

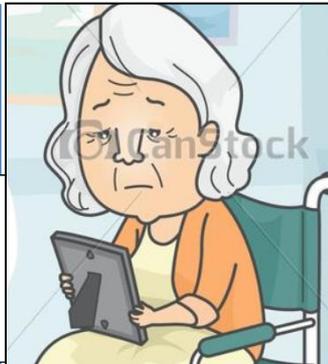

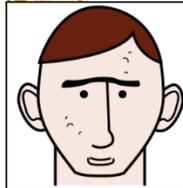

No digo que el pantalón es feo porque la abuela se pondría triste.  
Digo que el pantalón es bonito. Así la abuela está contenta.  
Esto es una mentira piadosa.

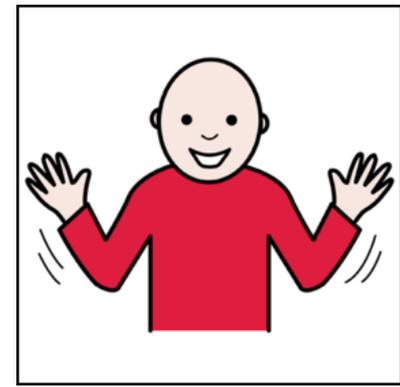

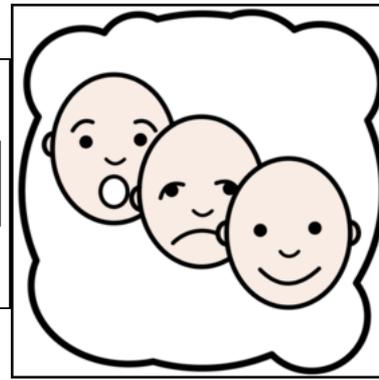

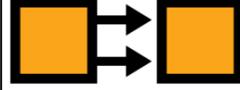

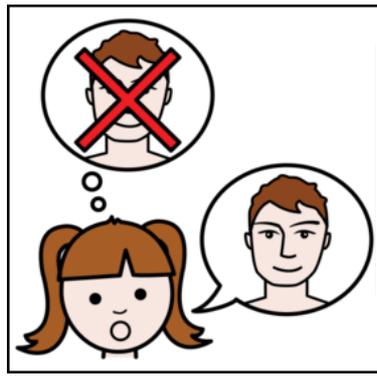

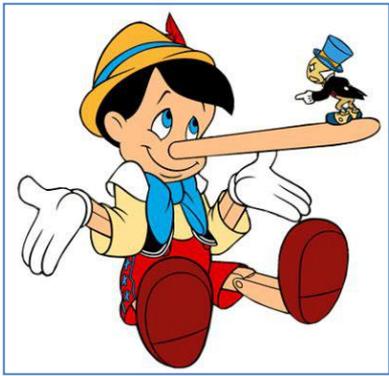

Una mentira piadosa es cuando dices una mentira para que la otra persona se sienta bien

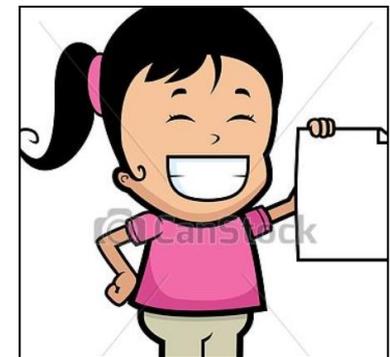

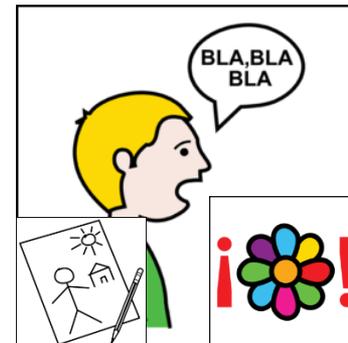

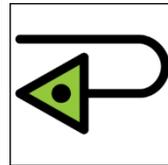

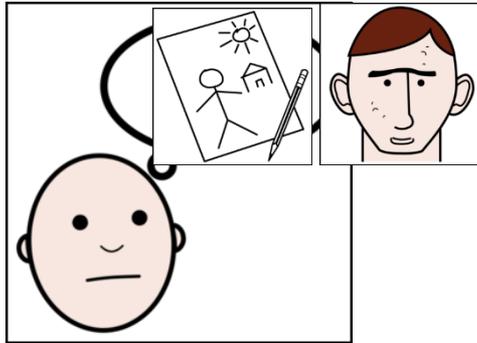

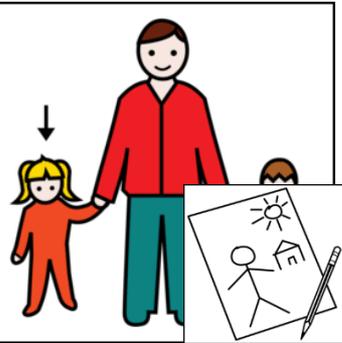

No digo que es un pantalón feo para que la abuela no se ponga triste.  
Digo que es un pantalón bonito y así la abuela está contenta..

Una mentira piadosa es cuando dices una mentira para que la otra persona se sienta bien

Leyre hace un dibujo y yo pienso que es muy feo pero yo digo: ¡Qué dibujo tan bonito! Para que se sienta bien y esté animada
